Reference Jade Stegbauer

To Whom It May Concern,

My name is Alexander Reid, I am the Director of Amplify Live Pty Ltd and we produce content for a variety of platforms including TV and online. In 2021 we were engaged by Samsung Australia to produce a docu-series that gives young musicians resources and education to empower them in the entertainment and music industries.

We engaged singer-songwriter Jade Stegbauer, as one of our top five contestants for this program. Jade was chosen by a panel of industry experts from a selection of over 1200 entries nationwide due to her natural talent in her songwriting and as a vocalist.

This docu-series was a valuable experience for Jade who went on the record and release her first single and accompanying music video for her original song RIGHT AT THE WRONG TIME. Jade received excellent industry reviews from our panel of experts engaged in the show as well as excellent feedback from the production crew.

During the 30 days of filming and production, Jade exhibited a remarkable work ethic, professionalism, and an exceptional sense of teamwork. Jade's ability to quickly understand and follow directions and contribute effectively to project success demonstrates her remarkable aptitude as a quick learner. She was able to comprehend the vision for a project with ease and contribute to its successful completion.

This letter is serving as a supporting document for any future project Jade is involved with.

Sincerely yours,
